

ZIMBABWE CABINET
THIRTY-FOURTH POST CABINET BRIEFING
22ND OCTOBER, 2024

1.0 NATIONAL ENERGY EFFICIENCY POLICY

Cabinet considered and approved the National Energy Efficiency Policy as presented by the Minister of Finance and Economic Development, Honourable Professor Mthuli Ncube, as Chairman of the Cabinet Committee on National Development Planning.

The overall goal of the National Energy Efficiency Policy is to institute energy efficiency programmes in order to promote sustainable development as the country transitions to an Upper Middle-Income Society in line with the objectives of Vision 2030. The Policy is built on the principles of development, sustainability, affordability, accessibility, gender equity and employment creation. The objectives that will be employed to stimulate energy efficiency are as follows: to promote and ensure a comprehensive, integrated and well informed energy efficiency strategy for effective socio-economic development; to establish the roles and responsibilities for implementing various energy efficiency initiatives and interventions in the country; and to provide a framework for setting targets relating to various energy efficiency interventions in the residential, commercial, mining, transport, agriculture and industrial sectors.

Cabinet advises that the Government of Zimbabwe shall develop an Energy Efficiency Act and appropriate regulations, as well as a National Energy Efficiency Strategy and Action Plan which will assist in the achievement of low-carbon development modalities and climate-resilient energy efficient systems. Furthermore, mandatory energy efficiency audits conducted by approved and certified energy auditors shall be prescribed. Minimum energy performance standards and regulations will also be established and developed for selected energy end-users. The Government shall mandate intensive energy users, and encourage other industrial users to be certified by a recognized energy management standard such as the Energy Management Systems (ZWS ISO50001), amongst others.

2.0 PROPOSED HOSTING OF THE EASTERN AND SOUTHERN AFRICA REGIONAL BRANCH OF THE INTERNATIONAL COUNCIL OF ARCHIVES (ESARBICA) XXVIII

The Minister of Home Affairs and Cultural Heritage, Honourable Kazembe Kazembe, presented a proposal for Hosting the Eastern and Southern Africa Regional Branch of the International Council of Archives (ESARBICA) XXVIII, which was approved by Cabinet.

The Minister of Home Affairs and Cultural Heritage informed Cabinet that Zimbabwe was requested to host the Eastern and Southern Africa Regional Branch of the International Council of Archives (ESARBICA) XXVIII in 2025. The Conference is held biannually on a rotational basis by member countries with the objective of advancing archives management through

regional cooperation. The decision to nominate Zimbabwe was largely informed by the success of the 2015 ESARBICA Conference hosted by Zimbabwe in Victoria Falls.

A total of 600 delegates are expected to attend the Conference. The benefits to be accrued from hosting the Conference include the following: the marketing of Zimbabwe as a prime tourism destination; increased foreign currency earnings from delegates from the 24 member countries; and the provision of €5 000 by the International Council of Archives to assist with the hosting of the Conference.

3.0 PRINCIPLES OF THE FIREARMS AMENDMENT BILL

Cabinet received a presentation from the Minister of Home Affairs and Cultural Heritage, Honourable Kazembe Kazembe, on Principles to amend and strengthen the Firearms Act (Chapter 10:09) which was approved.

The amendments seek to regulate the registration and licensing of firearms, and the establishment of a firearms database and registry. The Amendment Bill will make provision for the classification of firearms certificates to differentiate those issued to individuals and juristic persons. The amendments will also seek, among other things to (a) introduce psychological and training tests before one is issued with a firearm certificate; (b) place an age restriction on the possession of firearms; (c) regulate the number of firearms individual per person; (d) provide for the profiling of all firearms for purposes of easy identification and tracing

thereof; and (e) specify the penalties for firearm offences, including the failure to properly secure firearms.

5.0 REPORT ON THE VISIT TO SOUTH AFRICA BY HONOURABLE VICE PRESIDENT K.C.D. MOHADI

Cabinet received and noted a Report on the visit to Midrand, South Africa to officially open the 12th Annual Conference of Speakers of African National and Regional Parliaments, Pan African Parliament precincts on 18th September, 2024 as presented by Honourable Vice President Cde. Col (Rtd) K.C.D.Mohadi.

Cabinet advises that on 18th September, 2024 Honourable Vice President K.C.D Mohadi had delivered a key note address to mark the official opening of the 12th Annual Conference of speakers of Parliaments. In his keynote address, the Vice President called upon Pan African Parliament to engage debates on the rising conflicts and insecurity of the continent; to engage

debates on how to expedite the deployment of science technology and innovation to deal with challenges facing Africa today and highlighted that none but ourselves will create the political and socio-economic environment we want as Africans and scale up advocacy for women and youths' development. The Vice President had also highlighted the fact that the Government of Zimbabwe had successfully hosted the Forty Fourth (44th) Ordinary Summit of SADC Heads of States and Government in August 2024, with support from both the region and African Union.

6.0 REPORT ON THE STATE VISIT TO MEXICO FOR THE INAUGURATION OF UNITED MEXICAN STATE PRESIDENT-ELECT

Cabinet received and noted a Report on the State Visit to Mexico by Vice Honourable Cde. Col (Rtd) K.C.D. Mohadi for the Inauguration of United Mexican State President-Elect, Ms Claudia Sheinbaum, as presented by Honourable Vice President Cde. Col (Rtd) K.C.D Mohadi.

The nation is informed that Vice President K.C.D Mohadi had attended the inauguration of the United Mexican States President, Ms Claudia Sheinbaum, on 1st October 2024 at the Legislative Palace in San Lazaro, in Mexico City on His Excellency the President's behalf. The inauguration was attended by more than 100 foreign delegations, 16 of which were at the Heads of States and Government level, mostly from the Americas region. Part of the deliberations revealed that there is need for low economic cooperation between Zimbabwe and the United Mexican States and there is a great need to

identify areas of bilateral cooperation. It is highlighted that the United Mexican States' economy is expanding rapidly and would benefit from Zimbabwe's minerals, especially the Rare Earth Minerals, and work together in order to reap look forward to reaping the benefits accruing from the African Continental Free Trade Agreement (AfCFTA).

In terms of industry, the nation is informed that the United Mexican States is advanced in Motor Vehicle and General Manufacturing, Agriculture, Oil, and Iron and Steel, therefore, Zimbabwe can tap into their knowledge to improve, especially through technology transfer.

Cabinet further advises that the Administration of President Sheinbaum will adopt a whole-of-Africa approach in its diplomatic thrust. The visit provided a foundation for kick-starting engagement and mutually beneficial cooperation in many sectors of the economy in which the United Mexican States has made pronounced advancements.
